**SPECIAL PROGRAMS OFFICE
DAC FOR PATENTS**

ON PETITION

In re Application of
Dean Engelhardt, et al.
Application No. 08/479,997
Filed: June 7, 1995
Attorney Docket No. ENZ-5 (D6) (C)

This is a decision on the petition under 37 CFR 1.137(b), filed January 4, 2000, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

A grantable petition under 37 CFR 1.137(b)¹ must be accompanied by: (1) the required reply,² unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee

¹ As amended effective December 1, 1997. See Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53194-95 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 119-20 (October 21, 1997).

² In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lack(s) item(s) 4.

Since the above-identified application is a utility or plant application filed before June 8, 1995, 37 CFR 1.137(c) requires a terminal disclaimer dedicating to the public a terminal part of the term of any patent granted on the above-identified application or any patent granted on any continuing application that contains a specific reference under 35 U.S.C. 120, 121, or 365(c) to the above-identified application. The period to be disclaimed will be a terminal part of the patent to be granted equivalent to the period of abandonment. The period of abandonment will be computed to be the number of months from the date of abandonment to the date of filing a grantable petition. A terminal disclaimer fee of \$110 is required. If the terminal disclaimer is signed by an assignee, the assignee must comply with the requirements of 37 CFR 3.73(b).

Further correspondence with respect to this matter should be addressed as follows:
